

CYRUS

The smallest High-End-Audio-Systems

SFr. VP/Stk
SFr. PV/pc

6 Series

CD 6se Plus	CD-Player, Stereo 24/192 kHz differential current output DAC. 9 regulated Powersupplies	1750
Cyrus 6 XP	Integrated Amplifier, 2x40W 8 Ohm, intelligent headphone, RC	1760
Cyrus 6 XP-d	do. Incl. D/A-Converter	2280
6 Power	2x50W Stereo Poweramplifier, input sensing, chain output	1270
FM 6	Audiophile FM/AM Tuner with filtered and wide band outputs	910

8 Series

CD 8se Plus	CD-Player, twin mono 24/192 kHz DACs with high speed differential amps, twin transformer and multiple power supply, PSX-R upgradeable	2400
Cyrus 8 XP	Integrated Amplifier, 2x70W 8 Ohm, 2x110W 4 Ohm, intelligent headphone, RC	2420
Cyrus 8 XP-d	Integrated Amplifier, 2x70W 8 Ohm, 2x110W 4 Ohm, incl. 192/24 DAC, USB, PSX-R upgr.	2930
Cyrus 8 XP-d QX	do. with superior DAC	3500
8 Power	Stereo Poweramplifier, 2x60W, mono switchable, PSX-R upgradeable	1720

10 Series

CD-XT se Plus	CD-Transport, dedicated power management, PSX-R upgradeable	2770
DAC X Plus	High-performance twin mono DAC with 6 digital inputs, balanced outputs, PSX-R upgr.	2770
DAC XP Plus	do. incl. High-performance Preamplifier and 2 analogue inputs, PSX-R upgradeable	4460
NEW MONO X 200	200 W high speed Mono Amplifier, featuring zero feedback topology, Powerfull 1500 W burst power ability for wide dynamik range	2980
NEW MONO X 300	300 W high speed Mono Amplifier, featuring zero feedback topology, Powerfull 2000 W burst power ability for wide dynamik range	4400
X-Power	Stereo Poweramplifier, 2x70W, 2x110W 4 Ohm, mono switchable, PSX-R upgradeable	2100

Special Components

PRE XP	High-performance Preamp, virtual servo technology, PSX-R upgr.	1860
PRE XP-d	High-performance Preamp, incl. 192/24 DAC, USB, virtual servo technology, PSX-R upgr.	2380
PRE XP-d QX	do. with superior DAC	2900
PSX-R	Powersupply with intelligent auto select output voltage. Allows easy upgrade to most partnering Cyrus components	1080

Racks

Hark 2	Rack	1100
Hark 2 Shelf (2 pack)	Rack Tablar	200

Interconnect Cables

Interconnect Cinch	Solid core design with non magnetic "Bullet plug", 50 cm and 1.0m	230 pr
--------------------	---	--------

Accessories

BFA Plugs	Red and Black (hairdryer) prived individually	10 pc
-----------	---	-------

Alle Cyrus Elektronik Geräte sind in Schwarz und Silber erhältlich
Tous les appareils électroniques de Cyrus sont livrables en noir et argent

Stand 17. Januar 2011

Porto frei ab Fr. 1000.-/Sendung - CH.

Ausstattung, technische Daten und Preise können ohne Ankündigung geändert werden.
Für Retouren, nach Erhalt unseres Einverständnisses, wird ein Unkostenbeitrag von 10% verrechnet.

Frais de port inclus dès Fr. 1000.-/envoi - CH.

L'équipement, les dates techniques et les prix peuvent être changés sans avertissement. Pour des retours, après notre accord, une participation aux frais de 10% sera débitée.
